LED Rope (Included) ☐  
Add: LED Puck ☐  
Add: LED Mini Puck ☐

Domed Ceiling

LED Rope (Included) ☐  
Add: LED Mini Puck ☐

## FINISH DETAILS

### WALL FINISH

**FINISH 1** \_\_\_\_\_**FINISH 2** \_\_\_\_\_

#### Custom (Standard)

*Note: Select your desired laminate or upgraded Wall Finish here. Note that Finish 1 and Finish 2 correspond with the numbered panels on Page 1.*

Our *Custom* interiors come standard in all contract pricing and include your choice in color of stylish and durable *Wilsonart* high pressure laminate. Select one color, or mix it up with a two tone design.

Please follow the link to view laminate options and make a selection:

[www.wilsonart.com/laminate/standard](http://www.wilsonart.com/laminate/standard)

Need some inspiration? For photos and additional information, follow the link:

[www.hybridelevator.ca/product/custom/](http://www.hybridelevator.ca/product/custom/)

*Note that selections outside of Wilsonart's Standard Series are available but may come at an additional cost.*

#### Custom Plus (Upgraded)

Our *Custom Plus* interiors are fully customizable and able to match your home's décor seamlessly. Alternatively, make a statement by selecting a finish that stands out. Popular upgrades include but are not limited to: Painted MDF, Stained Hardwoods, Stainless Steel, Mirroflex Paneling, Custom Lighting Schemes and more.

To compliment your home's décor we recommend matching the elevator finish to an aspect of your homes millwork, cabinetry, wall or trim color. To select this option, please provide the wood species (if applicable), paint or stain type and a sample if possible.

Need some inspiration? For photos and additional information, follow the link: [www.hybridelevator.ca/product/custom-plus/](http://www.hybridelevator.ca/product/custom-plus/)

*Note that a separate quote will be provided based on the finishing and material options selected.*

### CEILING FINISH

**FINISH 1** \_\_\_\_\_**FINISH 2** \_\_\_\_\_

#### Custom (Standard)

*Note: Select your desired laminate or upgraded Wall Finish here. Note that Finish 1 and Finish 2 correspond with the numbered panels on Page 1.*

We recommend selecting *Wilsonart* "Designer White D354-60" or *Wilsonart* "Black 1595-60" for your *Custom* interior Ceiling Finish. Note that other *Wilsonart* laminates are available upon request, and solid colors are recommended. For two-tone designs, please view the photos on our website for placement ideas. If you want to add some wow factor, upgrade to a Tray or Drop Ceiling.

Please follow the link to view laminate options and make a selection:

[www.wilsonart.com/laminate/standard/](http://www.wilsonart.com/laminate/standard/)

Need some inspiration? For photos and additional information, follow the link:

[www.hybridelevator.ca/product/custom/](http://www.hybridelevator.ca/product/custom/)

*Note that laminate options outside of Wilsonart's Standard Series are available upon request but may come at an additional cost.*

#### Custom Plus (Upgrade)

Our *Custom Plus* ceilings are fully customizable to match your selected Wall Finish. For a classic and consistent look we recommend matching your Ceiling Finish to your Wall Type and Finish. Alternatively, make a statement by selecting a ceiling that stands out. Popular ceiling upgrades include Tray Ceilings, Drop Ceilings and Domed Ceilings.

Need some inspiration? For photos and additional information, follow the link: [www.hybridelevator.ca/product/custom-plus/](http://www.hybridelevator.ca/product/custom-plus/)

*Note that Stainless Steel is recommended for the upper panel in 2" and 4" Tray Ceilings and Domed Ceiling options.*

## LIGHTING FINISH

**FINISH 1** \_\_\_\_\_

**FINISH 2** \_\_\_\_\_

### Flat Panel & Shaker Ceilings

Flat Panel and Shaker Ceilings include **2** (3x4 and 4x4 models) or **4** (4x5 models) LED Puck Lights with stainless steel rings.

### Drop, Tray & Domed Ceilings

LED Rope Lighting is included in Tray Ceiling, Drop Ceiling and Domed Ceiling designs. Additionally, we recommend adding LED Puck Lights, Mini LED Puck Lights or a Chandelier to ensure sufficient lighting inside the elevator.

Need some inspiration? For photos and additional information, follow the link: [www.hybridelevator.ca/product/custom/](http://www.hybridelevator.ca/product/custom/) & [www.hybridelevator.ca/product/custom-plus/](http://www.hybridelevator.ca/product/custom-plus/)

## HARDWARE FINISH

### Custom & Custom Plus

Our *Custom* and *Custom Plus* Hardware Packages come standard with real Italian Stainless Steel Fixtures: Car Operating Panel, Call Buttons and Hand Rail (1).

### Placement

Standard placement for the Car Operating Panel is Position 2 on the wall of your choice. Position 1 and 3 are generally selected to reduce interference of the Car Operating Panel with certain Wall Type designs. We recommend placing the Car Operating Panel and Hand Rail on the same wall of the elevator interior.

### Finish

Upgrade your Hardware Finish to Slate Black, Cloud White, Autumn Gold, Light Oxidized Bronze or Medium Oxidized Bronze. Alternate finish options may be available upon request.

Need some inspiration? For photos and additional information, follow the link:

[www.hybridelevator.ca/product/custom/](http://www.hybridelevator.ca/product/custom/) & [www.hybridelevator.ca/product/custom-plus/](http://www.hybridelevator.ca/product/custom-plus/)

*Additional Hand Rails are available at an additional cost.*
